9) New group details is updated in grid shown below

The screenshot displays the 'KBSA Operational Data Hub' interface. The left sidebar contains navigation links for 'User Management' (Groups, Roles, Group Role, Users), 'Application Configuration', 'KBSA Audit Masters', 'Stakeholder Relationship Management', 'Portfolio Management', 'Content Development', 'Financial Management', 'PMO Functions', and 'Reports'. The main content area is titled 'Home > Group List' and includes a search bar with fields for 'Column', 'Operator', and 'Value'. Below the search bar is a table with the following data:

Sr. No.	Group Name	Group Description	Status	Edit
11	test new1	test new1	Active	
12	ss	sss	Active	
13	test33	333	Active	
14	New Group	New Group Details	Active	

At the bottom of the table, there is a pagination bar showing '1' and '2'. The bottom of the screenshot shows a Windows taskbar with various application icons and a system clock indicating 5:30 PM on 8/9/2013.
